DINOSAUR RESEARCH INSTITUTE

We are preparing to host our 1st Dinosaur Research Institute Fundraising Dinner in Edmonton at **6 p.m. on Friday, March 20, 2026 in the Winspear Dining Room at the University Club (11435 Saskatchewan Drive).**

Dr. Philip Currie, professor of Dinosaur Palaeobiology in the Department of Biological Sciences at the University of Alberta will give the main presentation. Dr. Currie's topic will be "The History of the Growth of Dinosaur Palaeontology in Alberta".

Also, PhD and Master's students from the University of Alberta will present information about their work. In addition, grad students will be displaying posters of their latest research. A student will be seated at each table and can answer paleo questions or discuss their research.

We promise you a fascinating evening in support of the very talented scientists in our province. Individual tickets are $200.00 per person. A tax receipt will be issued for approximately ½ of the ticket price.

We will also have a silent auction of incredible items: including jewellery, wine, event packages and art.

The staff of the University Club promises a great meal with options of salmon, chicken and vegetarian for the main course.

We are pleased to have Roger Lebeuf leading the organizing committee for the Edmonton Dinner.

To request tickets, email info@dinosaurresearch.com or call Roger or Al and specify which dinner entrée you prefer as well as any food allergies or dietary concerns.

Payment can be made by Interac e-Transfer to info@dinosaurresearch.com, cheque to Dinosaur Research Institute 2835-12 Ave. NW Calgary T2P 1K9, or with your credit or debit card information.

We hope that you will join us on Friday March 20, 2026.

Best Regards,

Al Rasmuson
